MESSAGE

It is with a sense of delight that I convey this message to the academic community of the University as we publish the examination calendar for the upcoming year. It is indeed timely to remember the commitment and hard work of the officials and the commendable successes of the examination wing in publishing the results of many of the examinations in record breaking time and offering services without delay. I am looking forward to see much more successful endeavors in near future. The University takes great pride in having established strong and devoted workforce with cutting-edge technology.

We have built an enviable presence as a vibrant University since inception. Our University earned the distinction of being the fastest growing educational institution to attain the prestigious Chancellor's Award for the second time. We have been graded 'A' with CGPA -3.24 in the latest reaccreditation process of NAAC and secured 34th Rank in the NIRF ranking 2018. In achieving all these accolade our University has been assessed to have excelled in all key areas of the exam management and provision of quality education services, student services and governance. The commitment required for us to become a top ranked institution and to retain that status should be the focus of the academic and administrative staff of the University.

It is appreciable fact that the examination calendar has been prepared incorporating the directions of the Hon'ble Chancellor and the Pro-Chancellor.

I convey my greetings and good wishes on this happy occasion and also wish you all the best for the future too.

ആമുഖം

നമ്മുടെ സർവ്വകലാശാലയുടെ 2019-ലെ പരീക്ഷാ കലണ്ടർ പ്രസിദ്ധീകരിക്കുന്നതിൽ എനിക്ക് അതിയായ സന്തോഷമുണ്ട്. സർവ്വകലാശാലയുടെ പരീക്ഷാ നടത്തിപ്പിന് സഹകരിക്കുന്ന അദ്ധ്യാപകരോടും, സർവ്വകലാശാലയിലെയും അഫിലിയേറ്റഡ് കോളേജുകളിലെയും ജീവനക്കാരോടും, വിദ്യാർത്ഥി സമൂഹത്തോടും പ്രത്യേകം നന്ദി അറിയിക്കുന്നു. പ്രതിസന്ധികൾ ഏറെയുണ്ടായിരുന്നുവെങ്കിലും കലണ്ടർ പ്രകാരം പരീക്ഷകൾ നടത്തുന്നതിനും റിക്കാർഡ് വേഗത്തിൽ ഫലങ്ങൾ പ്രസിദ്ധീകരിക്കുന്നതിനും നമുക്ക് സാധിച്ചിട്ടുണ്ട്. ഇനിയും നമുക്ക് ഏറെ മുന്നേറാനുണ്ട്. അതിനുവേണ്ടിയുള്ള നിർദ്ദേശങ്ങളെ സർവ്വാത്മനാ സ്വാഗതം ചെയ്യുന്നു. 2005 മുതൽ പരീക്ഷാ കൺട്രോളർ എന്ന നിലയിൽ ഭംഗിയായി പ്രവർത്തിക്കുന്നതിന് നിങ്ങൾ ഓരോരുത്തരും നൽകിയ എല്ലാ സഹായ സഹകരണങ്ങൾക്കും പിന്തുണയ്ക്കും ഞാൻ നന്ദി രേഖപ്പെടുത്തുന്നു.

Memorandum of Instructions to Chief Superintendents/Assistant Superintendents

- 1 Chief Superintendents appointed by the University for the examinations at each centre will be responsible for the proper conduct of the examinations at that centre.
2. (a) Assistant Superintendents may be appointed by the Chief Superintendent at the rate of one for every 30 candidates on an average. Assistant Superintendents will be under the orders of and responsible to the chief superintendents.

- (b) If there are 200 or more candidates during any one session, all examinations being put together, a senior Assistant Superintendent may be nominated by the Chief Superintendent. The Senior Assistant Superintendent will assist the Chief Superintendent in all matters relating to the conduct of the examinations. The senior Assistant Superintendent so posted and whose appointment has been approved by the University may continue on all days of Examination at the discretion of the Chief Superintendent irrespective of the number of candidates. If the Chief Superintendent is on leave, or otherwise engaged on a day and is unable to act as Chief Superintendent, the Senior Assistant Superintendent will ordinarily be deputed as the Chief Superintendent. A Third person can be appointed as Senior Assistant Superintendent in such circumstances for that day only if the number of candidates exceeds 200. This rule regarding the substitute appointment is applicable also in case the Senior Assistant Superintendent is on leave.
3. The Chief Superintendents should take special care in posting required number of suitable persons for invigilation work. Posting of outsiders for invigilation work must be avoided. In no circumstances members of the Non - teaching staff are to be appointed as Assistant Superintendents. Qualified Librarians can also be appointed as Assistant Superintendents.
 4. A parcel or parcels containing question papers will be despatched to the Chief superintendent and a list of the contents of each sealed cover contained in the parcel will also be sent separately. The Chief Superintendent shall take personal delivery of the parcel or parcels and sign all necessary receipts.

Immediately on receipt of the parcel of question papers the Chief superintendent should acknowledge such receipt telegraphically, giving the number of the parcel and the name of the centre only as the text of the telegram. For eg. 'Twenty one Baselius College' and addressing it to The Controller of Examinations, M. G. University, Priyadarsini Hills - 686 560.
 5. There after the Chief Superintendent should see that the seals and cover of the parcel or parcels are intact and that the description and particulars on the outside of each sealed cover agree with those in the List mentioned in section 4. The Chief Superintendent should further verify these sealed covers with the Time Table and the nominal rolls of candidates and satisfy himself that the covers containing adequate number of question papers in all subjects for the examination concerned have arrived in time. In the event of there being any material defect or discrepancy he should forthwith report the matter to the Controller of Examinations.
 6. Chief Superintendents/Principals are requested to verify the number of candidates in each subject as per the nominal Roll and to tally the number of question papers shown in the Question Paper covers and report the shortage, if any, well in advance to the controller of Examinations. Detection of such mistakes in the last minute may affect the smooth conduct of examinations.
 7. Question papers should be kept under lock and key in the safe custody of the Chief Superintendent in steel almirahs which have duplicate keys, until they are distributed to the candidates at the examination hall in the manner provided for in section 14. The covers enclosing them should not in any circumstances be opened except as provided for in Section 14.
 8. The Chief Superintendent shall exhibit a copy of the time table and instructions to the candidates at a prominent place in the college
 9. The halltickets of the candidates appearing for the examinations will be sent to the Chief Superintendent. They should be distributed to the candidates three days before the commencement of the examination. All precautions against fraudulent - impersonation should be taken and if any case is detected it should immediately be brought to the notice of the Controller of Examinations. The Chief Superintendent should check the names of candidates and the numbers on their hall tickets with the list of candidates sent to him by the Controller of Examinations. The names of doubtful candidates should be reported immediately to the Controller of Examinations.
 10. No Candidate should be admitted to the Examination Hall unless he produces the hall ticket issued to him or the chief Superintendent otherwise satisfies his eligibility and identity.
 11. The hall - tickets of all candidates should be inspected during the course of the first session of Examination. Candidates may also be asked to produce these documents on all days of the examination.
 12. If a candidate presents himself and whose name does not appear in the list furnished to the Chief Superintendent, he may not be admitted to the examination unless he satisfies the Chief Superintendent that he

has the eligibility to write the examination. But in such a case the Chief Superintendent should report the fact at once to the Controller of Examinations stating the circumstances of the case. The answer books of the candidate should be retained by the Chief Superintendent until receipt of information as to his register number from the office of the Controller of Examinations.

13. Candidates who are undoubtedly suffering from infectious diseases of any kind should not be admitted to the Examination Hall.
14. (a) The covers containing question papers should be examined in the presence of the Assistant Superintendents, not more than twenty minutes before the time for commencement of the examination and one or more of the Assistant Superintendents the Additional Chief Superintendent posted, if any, and the Chief Superintendent must sign the covers after satisfying themselves that the covers are in good condition. The chief Superintendent will then cut the cover with scissors along the line indicated, without damaging the seal. The cut part should not be completely detached from the rest of the cover, but allowed to hang loosely from it, giving sufficient opening for taking out the question papers. The question papers must be scrutinized by the Chief Superintendent or the Assistant Superintendent so as to verify that the heading of the paper matches with its description in the time table. The question papers will be handed over to the Assistant Superintendents only in sealed packets for distribution to candidates who are seated in the examination hall. The Assistant Superintendent will check once again the heading of the question papers before distribution. Papers wrongly inserted in covers should be returned at once to the Chief Superintendent and the Chief Superintendent should immediately report the fact to the Controller of Examinations. Greatest care must be exercised in the distribution of question papers to see that papers for the right subject according to the time table only are distributed and that no question paper relating to any other subject is inadvertently distributed.

Where the examination is conducted in a number of rooms or buildings, the Chief Superintendent should fix a central place for opening the question paper covers. Copies of question paper required for distribution in each room should be put in the separate packets and sealed before being handed over to the Assistant Superintendent concerned.

- (b) The timetable supplied to the candidates should be considered as authoritative.
- (c) The Chief Superintendent will forward the opened covers to the Controller of Examinations by registered post or messenger without folding the covers.

In addition, the Chief Superintendents shall send to the personal address of the Controller of Examinations, a declaration, in the prescribed form supplied, that the seals on the question paper covers were intact at the time of opening them. The declaration should have on it the signature of the Chief Superintendent, two Assistant Superintendents and the Additional Chief Superintendent.

- (d) In case where the only candidate registered for the examination in a centre absents himself, the Chief Superintendent should make a report, there of the Controller of Examinations and return the unopened cover containing the question papers.
15. Candidates should take their places in the Examination Hall at least five minutes before the time fixed for the examination. Candidates presenting themselves more than half an hour after the appointed time should not be admitted.
 16. Strict silence shall be maintained in the examination hall.
 17. (a) The attention of the candidates should be called to the direction printed on the outer cover or page of each answer book and also to the instructions issued to them in their halltickets. They should be warned that failure to write their register numbers or to write them incorrectly may involve the rejection of their answer books. Candidates should have their attention drawn to the instructions regarding rough work printed on the answer books. No separate books for rough work will be supplied to the candidates. Rough work, if any, must be done at the bottom of the page reserving sufficient space exclusively for the purpose. Paper must not be detached from the answer books. If the ordinary answer books are found insufficient, additional books may be allowed.
 - (b) The Register Number should be written by the candidate on the answer books both in words and figures. Necessary columns have been provided on the facing sheet of the answer books. Candidates must be told strictly to comply with this direction. If the Register Number of a particular candidate is 27389, the candidate should write in letters - two, seven, three, eight, nine instead of

writing Twenty seven thousand three hundred and eighty nine. If the Register Number is 4009, the candidate should write four, zero, zero nine. Thus all figures should be written in letters. This instruction may clearly be given to all candidates before the commencement of the examination every day.

18. Candidates are directed not to ask questions of any kind during the examination. Superintendents are instructed to refuse to answer any inquiries whatsoever, relating to the question papers, whether in explanation of the meaning or in correction of typographical errors. Candidates are not allowed to write on the question papers supplied to them.
19. Where the examination is conducted in a number of rooms or in separate buildings, the Chief Superintendent should visit each room or building as frequently as possible; he should also consider it a part of his duty to see that his assistants keep moving among the candidates, and do not engage themselves in any occupation likely to diminish the efficiency of the supervision they are exercising. Supervision must be very strict.

The Chief Superintendent is responsible for seeing that no irregularity is committed or connived at by any Assistant Superintendent.

20. (a) No candidate shall be allowed to leave the examination room till the expiry of half an hour after a question paper has been given out, and no candidate who leaves the room during the period allotted for a paper shall be allowed to return within that period. Candidates who leave the examination hall more than half an hour earlier than the scheduled time for the close of the examination should surrender their question papers with their names written thereon to the Assistant Superintendents and collect them back after the examination, if they so desire.
- (b) Candidates shall be permitted to leave the examination hall only after his/her answer book is taken by the invigilator on duty in the hall. They should not be permitted to leave the hall after keeping their answer books in their seats.

21. (a) Candidates are not allowed the use of books of any kind. The use of Mathematical instruments while answering the papers in Mathematics and Physical Science, is however, allowed. Such instruments will not be supplied by the University. Chief Superintendents are requested to warn the candidates at the commencement of the examination in each paper that persons found introducing in to the examination hall or found in possession of or copying from any book or portion of a book, manuscript or paper of any description, or communicating with any persons outside the examination room will be treated as guilty of malpractice.

Any candidate detected of malpractice in the University examination hall should not be permitted to sit for the remaining examinations, if the Chief Superintendent is prima facie satisfied about the guilt of the candidate. All such cases should be reported to the Controller of Examinations, as soon as they are detected. Statements may be got recorded from such candidates and the Assistant Superintendents concerned and arrangements for conducting enquiry according to rules should be made expeditiously.

- (b) In the case of University Examinations requiring the use of mathematical and other calculation tables, candidates are permitted to bring their own tables without any scribbling on any pages of the book. Special instruction should be given to the invigilators to verify strictly and carefully the tables brought by the candidates and to satisfy themselves that there is no scribbling or any addition in them which may directly or indirectly facilitate any kind of malpractice at the examination.
22. (a) Candidates are not allowed to exceed the prescribed time assigned to each paper. To secure the strict observance of this rule, it would be well, ten minutes before the close of each examination, to announce the fact to the candidates. If from any cause the question papers in any subject cannot be given out exactly at the time fixed, the candidates should be allowed the full period prescribed for writing their answers.
- (b) Any unexpected holiday declared by the Government or by any Local Authority after the publication of the programme of examination by the University will not affect the programme of examination already announced unless otherwise specially notified by the University.
- (c) All books, note - books, manuscripts etc. brought by the candidates should be placed outside the Examination Hall. This instruction shall be strictly enforced.

- (d) Mobile phones in any mode are not permitted in the Examination Hall.
- (e) The Chief Superintendents are directed to release the seized mobile phones from the students, if any, after obtaining receipts from the candidates showing the details of the examination, mobile phone number and the address of the candidate and report the matter to the university along with the details of other malpractices. The Mobile Phones shall be released only on production of a pay for Rs 1000/- (Rs. Thousand only) through e-payment
23. No unauthorised person should be permitted to enter the examination buildings. The Chief Superintendent should closely watch the conduct of all peons and menials to see that they do not communicate with any candidate verbally or by signs or by conveying written messages or communicate either verbally or otherwise with persons outside the examination building. During the hours of examination, care should be taken to see that no person loiters on the verandahs or any where near the examination room. Instances have been reported of candidates trying to maintain contact with persons outside the examination hall and attempting to insert papers written outside the hall. Particular care should be taken to prevent such possibilities. Outsiders and peons not deputed for examination duty should not be allowed to wander about on the verandah, while the examinations are going on.
24. The blank answer books and additional books received from the University and kept in safe custody by the Principal of the college should be issued to the Chief Superintendent for use on each day of the Examination, according to needs. Every care should be taken by the Chief superintendent to prevent possible substitution of books from outside containing prepared answers. It shall be the personal responsibility of each Chief Superintendent to see to the strict observance of this rule.
25. After the answer books have been collected, they should be carefully arranged according to subject, examination wise and in numerical order. The answer books should be bundled and sealed up in the presence of the Chief Superintendent and be ready for despatch within two hours of the termination of examination concerned and should be sent on the same day if practicable, to the personal address of the Controller of Examinations unless otherwise instructed. The parcels of answer books in the Kottayam centres should be sent through reliable messengers and those in mofussil centres by Registered post.
26. During the time of answering each paper and immediately after the first half hour the Chief Superintendent should note the absentees giving their names and Register Numbers in the consolidated forms supplied (to be returned at the close of the Examination to the Controller of Examinations) keeping a copy for future reference marking the letter (A) against the names in the appropriate column. "List showing the names of absentees, their Register Numbers and the days of Examination and subject from which they were absent" is the form to be used for this purpose. The Chief Superintendents should personally see that this statement is carefully and truthfully filled up each day and returned to the Controller of Examinations without fail immediately after the close of the examination at their Centres.
27. On the conclusion of the examination or examinations the different statements asked for should be sent in duplicate to the Controller of Examinations (in the forms furnished to the Chief Superintendent).
28. Chief Superintendents are expected to purchase locally all items of stationery (Such as country twine, English twine, brown casing paper, sealing wax, cut cardboards, gumarabic, cambric cloth etc.) required for the conduct of examination, packing and despatch of answer books to the University for which payment will be made to them as per rules.
- While purchasing articles, special care should be exercised to see that the stationery articles purchased are of good quality suitable for the purposes of use at University examinations. The expenditure for the above purposes is to be met from the advance paid to the Chief Superintendents by the University for the conduct of University examinations and adjusted in the final bill of charges.
- Under no circumstances colour threads should be used for tying up the answer book and additional sheet. Violation of this rule may lead to the Cancellation of the script.
29. Applications for advance towards examination charges and remuneration to Assistant Superintendents and menials should be made to the Controller of Examinations early enough, who will arrange for the payment of the amount. All unexpended balances should be remitted to the credit of the Mahatma Gandhi University Fund.

Special attention of the Chief Superintendents

1. The Safe custody of the question paper packets and the answer books is the personal responsibility of the Chief Superintendents and they will attend to it personally every day.
2. Question papers should invariably be kept under the personal custody of the Chief Superintendent in steel almirahs which have duplicate keys, and in which nothing else is kept.
3. The duplicate keys should be kept in a sealed cover under the personal custody of the Chief Superintendents and it should be opened for inspection by the Controller of Examinations or any other University authorities competent to conduct the inspection at any time during the period of conduct of the Examinations.
4. The Safe or Almirah containing the question papers should be kept in a strong room whose windows, if any, should have iron bars.
5. The attention of the Chief Superintendent is specially invited to the instruction that question papers are to be handed over to Assistant Superintendents only in sealed covers. No loose question papers should be made available to any Assistant Superintendent. In view of there being an Additional Chief Superintendent and a Senior Assistant Superintendent at most centres with a large number of candidates, it is advisable that question paper covers are personally handed over to the Assistant Superintendents only in the examination hall by the Chief, Additional Chief or the Senior Assistant Superintendent.
6. Assistant Superintendents may be specially instructed to scrutinise each question paper before it is handed over to the candidates in order to make sure that it is the right question paper that is being distributed.
7. In the event of any shortage of question papers suitable arrangements may be made for preparing the number of copies additionally required and the fact reported to the Controller of examinations immediately.
8. The rule that candidates should not be allowed to leave the hall before the expiry of half an hour from the commencement of the examination may be strictly enforced.
9. (a) Chief Superintendents should be personally satisfied as to the identity of candidates when hall tickets are issued to them and when they are admitted to the Examination hall. All precautionary measures should be taken against possible impersonation.
(b) Particular care should also be taken to see that hall tickets are not wrongly interchanged between candidates. There have been cases in which owing to similarity of names hall tickets were issued to wrong candidates with the result that they wrote their Examinations under wrong Register Numbers causing great difficulty in the matter of the correct identification of their answer books. When hall tickets are issued particular care should be taken to identify candidates with reference to their Second Language, if any, Part or Parts for which they are candidates and their subjects under their Optional Group. If there are candidates with the same name appearing for the same Part or Parts of an Examination, they should be identified with reference to their place of birth or date of birth shown in the hall-ticket and the Nominal Roll.
(c) In order to help Chief Superintendents to identify candidates correctly, passport size photographs be seen affixed to their hall - ticket duly certified by identifying officers and with the University seal stamped on them: this is to prevent impersonation.
10. Particular attention of the Chief Superintendents is invited to Section 26 of Memorandum of Instructions.
11. The Chief Superintendents shall take utmost care to ensure that answer scripts are packed and sent to the University strictly as per the instructions from the university.

- (h) As soon as the answer books of a particular question paper are received from the Assistant Superintendent, the Chief Superintendent will check them, arrange them as instructed in (b) above, count them to see that the total number agrees with the total number of candidates for that paper minus the number of absentees, arranged to have them bundled as instructed (a) above and sealed in his presence. Chief Superintendents are requested to take personal care to prevent mistakes by seeing that the right category of answer books alone are enclosed in each packet and that the Register numbers of answer scripts sent and numbers of absentees are correctly entered in the appropriate columns of the prescribed statement forms (Which will be supplied by the University) to be sent along with each answer book parcel. - (j) All the statements to be sent along with answer scripts parcel should be prepared in duplicate. One copy should be enclosed in the packet as instructed above and the other preserved for future reference at the examination centre.
- (k) Particular care should be taken to avoid mistakes and inaccuracies in the preparation and sending of statements. No answer script parcels should be sent without enclosing the required statements.
- (l) On the outermost cover of each postal or messenger parcel where the address of the controller of Examinations is written, the Code No. of the question paper to which the answer books in the parcel relate should be clearly indicated in bold figures in deep coloured ink so as to facilitate identification of the contents of the parcel without opening it. The code number may be shown on the left hand side of the address of the Chief Superintendent as indicated below on two opposite sides of the parcel.

Such answer books together with the necessary documents such as Report of the Assistant Superintendent invigilating in the examination hall, report of the Chief Superintendent, manuscripts and such other relevant material recovered from the candidates should be handed over to the Principal of the College, who will arrange for conducting an enquiry into the case of malpractice committed by the candidate by appointing an enquiry Officer.
